GETTING INTO AN RDA PROGRAM

RDA(NSW) Raymond Terrace & Lower Hunter Centre (RTLH) is a volunteer based organization which has 1 paid casual position - live-in Caretaker. This Centre receives no on-going funding and all running costs are met by clients (via a subsidized fee structure) and the volunteers themselves, through fund raising efforts. RDA(NSW) RT & LH Centre currently subsidizes riders' session riding fees, in order to keep fees to a minimum.

Contraindications for Riding and Carriage Driving (see previous page) With "Duty of Care" paramount at RT&LH Centre, if an applicant has any of these conditions they are unable to ride at RDA.

This Application is not a guarantee or an indication of a placement in an RDA program.

- Applicants will be contacted by Rider Placement Officer when a vacancy occurs, to ascertain appropriate placement.
- Program coach or whip (Carriage Driving) will contact applicant to arrange assessment.
- If a considerable length of time has elapsed since placing the application, please contact the Centre again, as another application may be necessary in order to update information.
Please contact Centre...02 4987 1402.

Before a client is allowed to participate in any RDA (NSW) RT & LH program, a Registration fee and **All** lessons allocated to a client must be paid in accordance with invoice. A client who does not attend on any day, **must** pay for that missed lesson. Any absences (apart from sudden health reasons) must be advised in advance - a rider who has three **unexplained** absences in a row, or five in any one Term, may have to leave the program. We have many potential riders on the Waiting List (like you) and it is unfair if they are denied entry when a position is not being utilized.

Note: Please ensure that contact with the Centre, Coach or Program Co-ordinator is on-going, to avoid disappointment.

PROGRAMS -

1. **General Riding Programs** operate Monday – Saturday.
 - Mondays - 1 operating weekly – between ** 9.00am – 12noon (approx.)
 - Tuesdays - 1 operating weekly – between ** 9.00am – 3.00pm (approx.)
 - Friday - 2*ASH operating fortnightly – between ** 4.00pm – 6.00pm (approx.)
 - Saturday - 1 offering small session numbers, fortnightly. Start/finish times t.b.a.
(*ASH = After School Hours program) (**Start/finish times, as shown, may vary)
2. **Carriage Driving** - Tuesday at the Centre's annex at Stroud. Start/finish times t.b.a.
Contact Centre for information 02 4987 1402.
3. **Dressage** - Monday evenings, with limited selected participants. Start/finish times t.b.a. Whilst it is not normal, entry to this program can occur from the Waiting List, if the applicant has ridden before or shows exceptional potential.
4. **Hippotherapy** - may be on offer in 2021 with selected participants.
Contact Centre for information - 02 4987 1402.

5. **Number of Riders and/or Drivers in RDA programs.**

- 2021 - General Riding, under COVID restrictions, a maximum number of 6 riders is allowed in any riding session. Rider numbers are determined by the number of volunteers and suitable horses available.
- 2021 - The number of participants in a Carriage Driving program, is determined by the RDA Whip (ie. Driving Coach), taking into consideration, the number of volunteers and carriage driving ponies available.

ACCEPTANCE INTO AN RDA PROGRAM -

1. **As part of RDA's Duty of Care....**

- **A prospective client** must be assessed and deemed to be able to safely, receive a benefit from an RDA program, before being accepted into a Riding or Carriage Driving program.
- **RDA accepts any person with a disability**, apart from the conditions noted in "Contraindications for Riding or Driving" (please see Pg.3).
- **A potential client, must not exceed the maximum weight limit** of each RDA horse, set-down by the Centre. This weight takes into account the combined weight of the rider (including the deemed 'disability impact weight') as well as the weight of the saddle used.
- **This combined weight is different for each horse** with the max. weight being 85kg for our bigger horses. An applicant, who has a combined weight (as stated) falling beyond this limit (85kg), **cannot be granted entry** into an RDA program.
- **Anyone whose individual weight is 75kg** or over cannot be guaranteed a placement, due to a suitable horse may not be available.
- **Each Horse** has its own set weight limit.

NOTE : Many RDA riding horses are on loan and can be requested to be returned by owners without notice. As a result, in some circumstances participants may have to cease riding until another suitable horse is available.

- For Carriage Driving, the weight of the Carriage, plus the weight of the RDA Whip, plus the weight of the RDA Driver (or participant) cannot exceed the weight of the RDA Carriage Driving Pony.

2. **The First Day at RDA** is usually an Orientation day - **actual riding may not take place.**

The following will be undertaken ...

- Relevant Forms** are check and payment of appropriate fees, organized.
- Rider's weight** is confirmed.
- Helmets & Riding boots** (if required), are fitted and recorded. RDA has a small number of used riding boots available for clients and helmets are supplied.

3. **Continued Participation** Riders are re-assessed during or at the beginning of each riding year to ascertain that ...

- The rider is still able to receive a benefit.**
- The rider's weight remains within the acceptable limit.**
- A suitable horse is available.**

PROGRAM COSTS -

1. **Fees - Note:** All fees are set at the end of the riding year or before riding resumes the following year.
 - **Non-NDIS or Self-Funded,** clients are responsible for payment of all fees associated with placement.
 - **Annual Registration,** as well as **Session Fees** can vary from year to year.
 - **Annual Registration** is **non-refundable** and must be paid in full, before a rider is able to commence in a program to ensure insurance cover.
Note: ACTIVE KIDS VOUCHERS (\$100.00) : RDA(NSW) Raymond Terrace & Lower Hunter Centre is registered with the NSW Government, as a “Active Kids” recipient. There are two vouchers available to clients from 5 – 17 years. The first voucher can be used to part-pay a rider’s Annual Registration. Currently (as at 2020) there is a balance of \$5.00, which is payable by the client. The second voucher can be used to contribute toward riding session fees in Terms 2; 3 or 4.
 - **Session Fees.** Paying riding or carriage driving session fees in advance (by the term), reduces costs. Fees for Carriage Driving, ASH (After School Hours) and Dressage programs attract \$2 per week extra and Hippotherapy fees are available on request.
 - **Paying Session Fees by the Term.** Taking advantage of weekly session fee reduction, by paying in advance (as outlined above), payment ideally should be made on or before the first riding day. However, a 2 week grace period can be given on request, in writing. If no written request is made or this payment is not made on the third week – the request to pay in advance, by the Term, will be denied and weekly fees must be paid.
 - **Sibling riders** are offered a Registration and Session fee reduction, whilst at least one sibling is still at school (K – Yr.12).

2. **Cancellation of Riding / Carriage Driving Session**
 - When any session is cancelled by RDA, all program session fees (paid in advance), will be refunded by crediting a rider’s Account and will be deducted from the next Term’s fees.
 - If an entire program is cancelled completely by RDA, any session fees paid in advance will be refunded, either by electronic transfer or cheque.
Note: Registration fee is non-refundable.

CONTRAINDICATIONS FOR RIDING AND DRIVING - With Duty of Care paramount at RT & LH Centre, there are a number of reasons which make it impossible to accept some people, with a disability, into RDA programs. (See Page 3)

NDIS INFORMATION - RDA claimants typically participate in “Social & Recreational” activities (this should be mentioned on their NDIS Plan and ideally ‘horse riding’ specifically). An intensity level would be attached to this category, dependent on the level of support an individual requires to participate in an RDA activity. This would need to be approved in the individual’s PLAN.

Core Support activities may also be a category from which an individual can claim for RDA services, ensuring it is stressed that support for riding and associated equine related services from RDA (NSW) RT & LH Centre, **will assist in meeting the participant’s goals.**

There are two categories of NDIS plans from which RDA(NSW) RT&LH Centre can accept clients:

- **Self Managed:** RDA invoices the client and they pay full invoice cost.
- **Plan Managed:** RDA will invoice client, then ...
 - i. Client can, if appropriate, pay RDA and be reimbursed from their Plan Manager.
 - ii. Invoice can be sent directly to Plan Manager.
 - iii. Client gives invoice to their Plan Manager for payment directly to RDA.

There may be an overriding condition on the individual’s plan indicating that they can claim for their Registration/Insurance or their riding session fees. They may even, be able to claim for both. However, there may be other factors to take into account, which preclude the rider from claiming anything from NDIS at all.

If you ask, you have a chance of including RDA activities in an individual’s plan, but our services may not be covered. RDA will need to be sure, before a rider is accepted into an equine related program, that costs are able to be recovered from NDIA.
